Dear Ms. Jaketic:

Thank you for your telephone call and suggestions for future reports. This letter will confirm that the Tenn PAC (FEC ID# C00388421) Year-end 2005 FEC report's disbursements for Catering, Catering;equipment rental, Catering expense, and Facility rental/Equipment rental were the PAC's own fundraising and administrative expenses, and were not made on behalf of any specifically identified federal candidates. Therefore, no Schedules B or E for Lines 23 or 24 are required with respect to these disbursements.

Similarly, the postage, printing, and printing and postage disbursements were likewise for the PAC's own fundraising and administrative expenses, and were not public communications or voter drive activity which would constitute either in-kind contributions or independent expenditures. They did not refer to any clearly identified federal candidate. Therefore, no Schedules B or E for Lines 23 or 24 are required with respect to these disbursements.

Sincerely:

Keith A. Davis, Treasurer
